☐ Recording

☐ Catering

Planning mode

☐ Standard

☐ Premium

☐ Flexible

Notes

Behavior guide

A compact reference for manual and automated viewer verification

What this document exercises

K / F

Numeric keystroke validation and two-decimal formatting

V

Email validation with alert and unsupported beep diagnostics

C / CO

Ordered SUM calculation into a read-only field

Hide

Field-name target resolution with hide and show semantics

ResetForm

Exclusion-list and reset-all flag handling

GoTo

FitH and FitR page destinations

URI

A sanitized external navigation request

SubmitForm

An intentionally blocked network action
